6. Exploring the Different Function Buttons :

The function buttons are arranged **from right to left, top to bottom, in an anticlockwise direction**. Each button serves a specific purpose to enhance your reading experience. Here's a brief overview of these functions:

- a Bookshelf:** Organize and access your virtual library. You can create shelves, tag books, and sort them by title, author, or other criteria .
- b Language:** Adjust the language settings to suit your preferences.
- c Search Bar:** Quickly locate books or specific content within your library by typing keywords or phrases .
- d Recommended Books:** Discover new books based on your reading habits or preferences .
- e Search:** Allow readers to find books that they like to read .
- f Start Reading:** Begin reading a selected book from your library.
- g Store the Book into Shelf:** Save books to your virtual bookshelf for easy access later .

These buttons are designed to make your reading journey seamless and enjoyable.

7. Different Functional Buttons of the eBook :

- **Convert Text to Voice:** Reads the text aloud.
- **Full Screen:** Expands the eBook to fill the entire screen.
- **Bookmark:** Save your place in the book for quick access later.
- **Magnification:** Adjust the text size (make words bigger or smaller).
- **Table of Contents:** Navigate quickly to specific sections of the book.
- **AI Assistant:** Interact with an AI robot for questions or assistance.
- **Reading Reflection:** A feature to reflect on and summarize your reading experience.

The End
